## BE PREPARED:

- **Plan your route.** Use this map to locate your destination and choose a route with sidewalks and fewer cars. Take the map with you.
  - **Dress Comfortably.** Select loose fitting breathable fabrics. Your outer layer should protect you from the weather. Consider wearing a hat and sunscreen.
  - **Wear comfortable shoes.** Good walking shoes have low heels, arch support, and decent tread. Carry your other shoes to change into when you get there.
  - **Carrying things with you.** Take along a backpack, waist pack, or rolling cart.
- Always be aware of traffic and weather conditions, construction work and other hazards. Road, bike lane and sidewalk conditions can vary dramatically.*

## PRACTICE SAFETY FIRST:

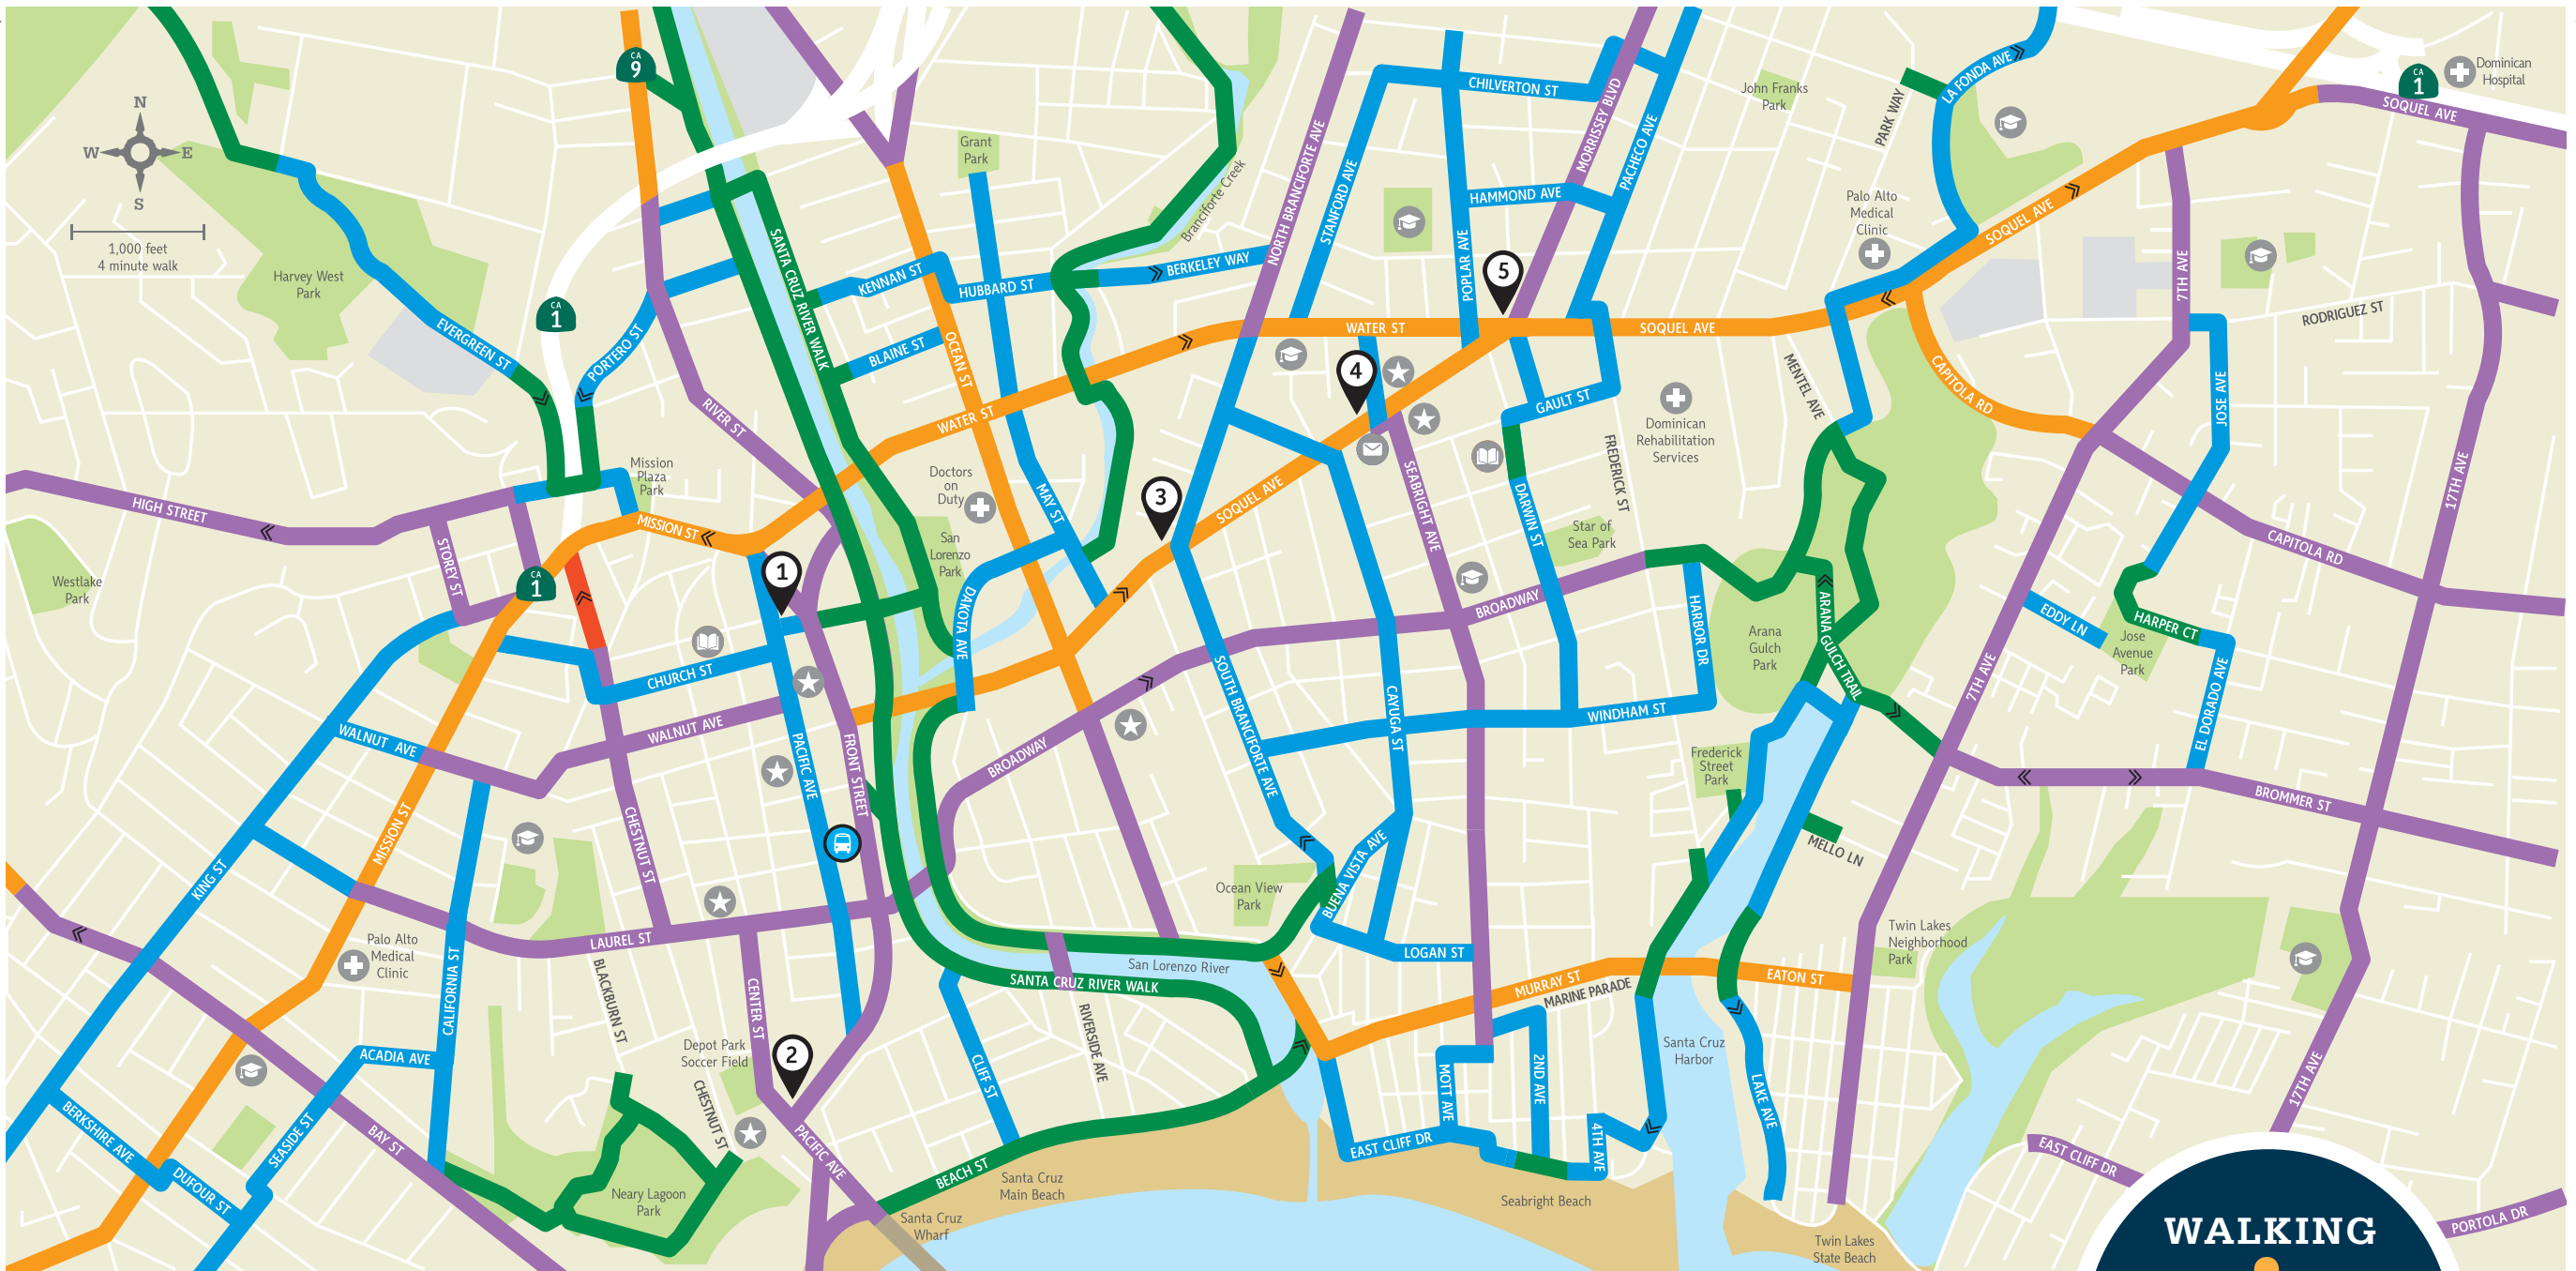

- **Follow Laws.** Cross in crosswalks and at intersections.
- **Be Visible.** Choose brighter clothing, and always make eye contact with drivers before crossing in front of them. Look to make sure all vehicles have stopped before stepping into the lane.
- **Pay Attention.** Don't get distracted, especially by your mobile phone. If you need to use your phone, stop walking and move aside.
- **Start Easy.** Walk once a week and add days as the going gets easier.

**REPORT A HAZARD.** Is something not right? Report pedestrian hazards at [scrtc.org/hazard](http://scrtc.org/hazard) or 831-429-7665.
