

# Homeless Persons Health Project

## Patient Advisory Committee

Volunteer to be a member of our Patient Advisory Committee! This committee brings people together to improve the quality and safety of our care, and to discuss issues affecting people experiencing homelessness in Santa Cruz County.

Please use the QR square below to submit your application electronically.

### **How much of my time is required?**

Patient Advisors volunteer 1-3 hours a month & serve in a variety of roles.

### **What will I be doing on the committee?**

- Improving our patients' experience & care
- Enhancing our campus accessibility
- Providing your ideas on facility design
- Helping to create patient education materials
- Sharing feedback on clinical care
- Promoting patient safety

**Our Vision: To bring together a group of people with lived experience of homelessness and community members to improve the care provided at our clinic.**

**THANK-YOU** for taking the time to consider joining our patient advisory committee. If you are interested in joining, please complete the application or use the QR code to submit electronically. Reach us at 831-454-2080 or [hphpreferral@santacruzcounty.us](mailto:hphpreferral@santacruzcounty.us) if you have additional questions.
