

# SUOPP funded Public Sharps Disposal Kiosks

## Santa Cruz County

If one has syringes that one does not intend to exchange for sterile syringes through the Santa Cruz County Safe Use and Overdose Prevention Program (SUOPP), syringes can be disposed of safely in a sharps disposal kiosk. The SUOPP funds kiosks at 8 locations, most\* of which are accessible 24 hours a day and 7 days a week.

The kiosks are bright red and clearly marked.
